

Capability Statement

Triverus, LLC designs and manufactures high-efficiency outdoor surface cleaning equipment. Our purpose-built vehicles deliver superior results with a self contained, closed-cycle vacuum recovery system and are used in airfield, municipal, and military markets. We lean heavily on a fit-for-purpose design process that applies our continually improving cleaning and waste management technologies to specific market sectors. A small business based in Palmer, Alaska, we work with our partner company, Tri-Jet Manufacturing Services, to offer in-house design and production capabilities.
